

The City of Royse City participates in an IRIS or Immediate Response Information System for each household or property located within the City limits. This system allows the City to send mass notifications for both Emergency and Non-Emergency situations. It has the ability to broadcast notification through multiple forms of communication to hundreds of thousands of residents quickly. Please take a few minutes to provide the information requested below and return this form to the City of Royse City Utility Department located at 305 N. Arch Street. Thank you for your time and attention in this viable resource. All information contained herein shall remain confidential.
