

TEEN COURT

Teen Court is a program authorized by the Texas State Legislature which allows teens to sentence other teens who have pleaded guilty or no contest to Class C misdemeanor (punishable by fine only) crimes.

Royse City's Teen Court program offers opportunities for all types of students to get involved. Volunteers can serve as jurors, prosecuting attorneys, and defense attorneys. All of these roles are crucial to the administration of Teen Court.

You must serve on the jury at least two times and attend one of the training sessions in order to act as a Teen Officer of the Court, either as a prosecuting attorney or defense attorney. You need no training to volunteer as a juror. **The Royse City Teen Court holds sessions on the third Wednesday of every month commencing at 6:00 p.m.***

If you are interested in participating, please attend one of the court sessions listed below. Teen Court volunteer applications are available at the Municipal court office or online at www.roysecity.com/departments/municipal-court/teen-court. (The application is not required if you are serving as a juror only). If you have any questions or want more information, please contact the office at 972-636-9434 or court@roysecity.com.
