
Irrigation Permit Information Guide

Current Adopted Codes

2018 International Residential Code (with regional amendments)
Must meet TCEQ Requirements
City Code of Ordinances

Permit Application:

- Complete Building Permit Application.
- Irrigation contractor must register with the City and be listed on the permit application.

Plan Review/Permit Submittal:

1. Upload the completed Building Permit Application and sealed plans into MyGov.
Residential- Use Project Template: Irrigation Permit (R)
Commercial - Use Project Template: Irrigation Permit (C)
2. If system is installed on a corner lot, City Ordinance requires fences to have a minimum 7-foot setback
3. **No work may begin until the permit has been issued**
4. Permit fee - \$100.00 (Residential), \$200.00 (Commercial)

Inspections:

- Once permit is issued, the final inspection can be requested via MyGov, by email at permits@roysecity.com or calling 972-524-4710
- Inspection requests must be received by 4pm for next day inspection
- Backflow testing reports required for final inspection – **Report must be registered with SC Tracking Service**
- Approved plans (min. 11 X 17) must be onsite for the inspection.
