

HOWARD STREET WALKSHOP

TUESDAY, APRIL 16 // 6:45-8:15 PM

Howard Street renovations are coming soon!

Come join us for a walking tour and design discussion with the project design engineer. Learn about the proposed redesign of Howard Street, including what the new street will look like and proposed construction timeline. We'll be walking the street with a copy of the plans so you have the opportunity to point out any specific concerns you may have. Design team members will be available after the walkshop to speak with those not able to join us.

WHERE TO MEET:

Meet us at Thirsty Bros (on the SW corner of Main & Arch) at 6:45pm. The walkshop will start at 7:00 and end by 8:00. (Don't forget your walking shoes!)
