Main Street Program

Vision

The Royse City Main Street program envisions downtown Royse City as a vibrant business district, where businesses succeed and historic buildings are valued. Main Street is the heartbeat of Royse City, providing an enhanced sense of community where people matter.

Mission

The Royse City Main Street Program is dedicated to building the economic vitality and preserving the character of historic downtown Royse City. We promote the principles of historic preservation, and follow the Four Point Approach of organization, design, economic restructuring and promotion to attract businesses, visitors and residents to the Main Street district. By using this approach, the historic downtown will remain a special place in the community by providing a wholesome, family-friendly environment and promoting a thriving cultural district.

Our Core Values

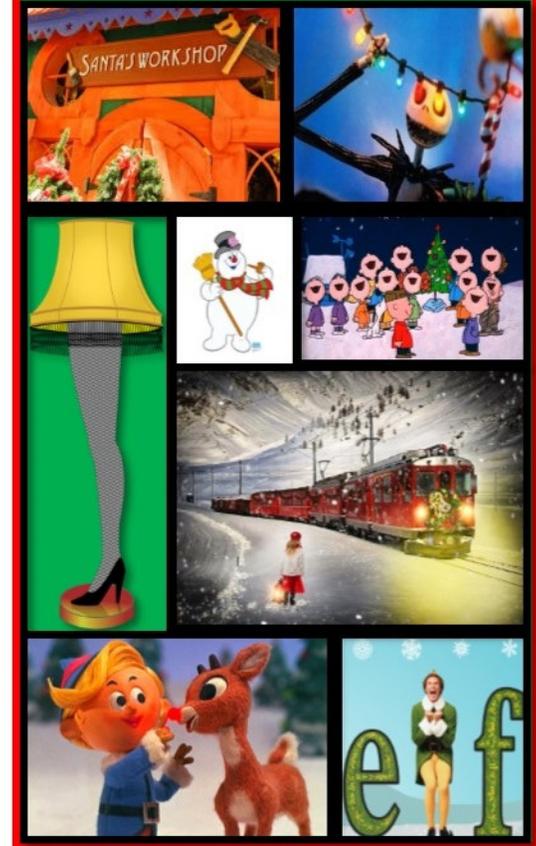

We believe that historic downtown is the heartbeat of our community. It provides a small town feel that is quaint, unique and friendly. The Royse City Staff and advisory board display enthusiasm and passion for assisting stakeholders and businesses, while preserving the downtown district.
